Caraphernelia

Verse 1: Vic Fuentes

Sunshine
There ain't a thing that you can do that's gonna ruin my night
(But there's just something about)
This dizzy dreamer and her bleeding little blue boy
Licking your fingers like you're done and
You've decided there is so much more than me (Oh)
And, baby, honestly, it's harder breathing next to you, I shake
I brought a gun and as the preacher tried to stop me
Hold my heart, it's beating for you anyway

Chorus: Jeremy McKinnon & Vic Fuentes

What if I can't forget you? (Oh)
I'll burn your name into my throat
I'll be the fire that'll catch you
What's so good about picking up the pieces?
None of the colors ever light up anymore in this hole
Oh

Verse 2: Vic Fuentes

Nobody prays for the heartless (No)
Nobody gives another penny for the selfish
(You're learning how to taste what you kill now)
Don't mind me, I'm just reaching for your necklace
Talking to my mom about this little girl from Texas

Chorus: Jeremy McKinnon & Vic Fuentes

What if I can't forget you? (Oh)
I'll burn your name into my throat
I'll be the fire that'll catch you
What's so good about picking up the pieces?
None of the colors ever light up anymore in this hole

Post-Chorus: Vic Fuentes & Jeremy McKinnon

Just give her back to me
You know I can't afford the medicine that feeds what I need
So, baby, what if I can't forget you? (What if I can't forget you?)
Collide invisible lips like a shadow on the wall
And just throw, oh no
You can't just throw me away

Instrumental Break

Bridge: Vic Fuentes

So what if I can't forget you?
I'll burn your name into my throat
I'll be the fire that'll catch you
And what's so good about picking up the pieces?
What if I don't even want to?
Oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh

Chorus: Jeremy McKinnon & Vic Fuentes

What if I can't forget you?
I'll burn your name into my throat
I'll be the fire that'll catch you
What's so good about picking up the pieces?
None of the colors ever light up anymore in this hole

Post-Chorus: Vic Fuentes & Jeremy McKinnon

Just give her back to me
You know I can't afford the medicine that feeds what I need
So, baby, what if I can't forget you? (What if I can't forget you?)
I'd better learn to live alone

Outro: Vic Fuentes

What's so good about picking up the pieces?
What's so good about
What's so good about (Oh no)
What's so good about picking up the pieces?

Still Into You

Verse 1

Can't count the years on one hand that we've been together
I need the other one to hold you, make you feel, make you feel better
It's not a walk in the park to love each other
But when our fingers interlock, can't deny, can't deny you're worth it

Pre-Chorus

'Cause after all this time
I'm still into you

Chorus

I should be over all the butterflies
But I'm into you (I'm into you)
And, baby, even on our worst nights
I'm into you (I'm into you)
Let 'em wonder how we got this far
'Cause I don't really need to wonder at all
Yeah, after all this time
I'm still into you

Verse 2

Recount the night that I first met your mother
And on the drive back to my house, I told you that, I told you that I loved ya
You felt the weight of the world fall off your shoulder
And to your favorite song, we sang along to the start of forever

Pre-Chorus

And after all this time
I'm still into you

Chorus

I should be over all the butterflies
But I'm into you (I'm into you)
And, baby, even on our worst nights
I'm into you (I'm into you)
Let 'em wonder how we got this far
'Cause I don't really need to wonder at all
Yeah, after all this time
I'm still into you

Bridge

Some things just, some things just make sense
And one of those is you and I (Hey)
Some things just, some things just make sense
And even after all this time (Hey)
I'm into you
Baby, not a day goes by that I'm not into you

Chorus

I should be over all the butterflies
But I'm into you (I'm into you)
And, baby, even on our worst nights
I'm into you (I'm into you)
Let 'em wonder how we got this far
'Cause I don't really need to wonder at all
Yeah, after all this time
I'm still into you
I'm still into you
I'm still into you

Break Stuff

Verse 1

It's just one of those days when you don't wanna wake up
Everything is fucked, everybody sucks
You don't really know why
But you wanna justify rippin' someone's head off
No human contact
And if you interact, your life is on contract
Your best bet is to stay away, motherfucker
It's just one of those days

Chorus

It's all about the "he says, she says" bullshit
I think you better quit lettin' shit slip
Or you'll be leavin' with a fat lip
It's all about the "he says, she says" bullshit
I think you better quit talkin' that shit

Verse 2

It's just one of those days, feelin' like a freight train
First one to complain leaves with a blood stain
Damn right, I'm a maniac
You better watch your back 'cause I'm fuckin' up your program
And if you're stuck up
You're just lucked up, next in line to get fucked up
Your best bet is to stay away, motherfucker
It's just one of those days

Chorus

It's all about the "he says, she says" bullshit
I think you better quit lettin' shit slip
Or you'll be leavin' with a fat lip
It's all about the "he says, she says" bullshit
I think you better quit talkin' that shit, punk
So come and get it

Bridge

I feel like shit
My suggestion is to keep your distance
'Cause right now, I'm dangerous
We've all felt like shit
And been treated like shit
All those motherfuckers that want to step up
I hope you know I pack a chainsaw (Chainsaw)
I'll skin your ass raw (Ass raw)
And if my day keeps goin' this way
I just might break somethin' tonight
I pack a chainsaw (Chainsaw)
I'll skin your ass raw (Ass raw)
And if my day keeps goin' this way
I just might break somethin' tonight
I pack a chainsaw (Chainsaw)
I'll skin your ass raw (Ass raw)
And if my day keeps goin' this way
I just might break your fuckin' face tonight

Breakdown

Give me somethin' to break
Give me somethin' to break
Just give me somethin' to break
How 'bout your fuckin' face?
I hope you know I pack a chainsaw (What?)

A chainsaw (What?)
A motherfuckin' chainsaw (What?)
So come and get it

Chorus

It's all about the "he says, she says" bullshit
I think you better quit lettin' shit slip
Or you'll be leavin' with a fat lip
It's all about the "he says, she says" bullshit
I think you better quit talkin' that shit, punk
So come and get it

Smells Like Teen Spirit

Verse 1

Load up on guns, bring your friends
It's fun to lose and to pretend
She's over-bored and self-assured
Oh no, I know a dirty word

Pre-Chorus

Hello, hello, hello, how low
Hello, hello, hello, how low
Hello, hello, hello, how low
Hello, hello, hello

Chorus

With the lights out, it's less dangerous
Here we are now, entertain us
I feel stupid and contagious
Here we are now, entertain us
A mulatto, an albino
A mosquito, my libido, yeah

Post-Chorus

Hey, yay

Verse 2

I'm worse at what I do best
And for this gift, I feel blessed
Our little group has always been
And always will until the end

Hello, hello, hello, how low
Hello, hello, hello, how low
Hello, hello, hello, how low
Hello, hello, hello

Chorus

With the lights out, it's less dangerous

I feel stupid and contagious
Here we are now, entertain us
A mulatto, an albino
A mosquito, my libido, yeah

Post-Chorus

Hey, yay

Verse 3

And I forget just why I taste
Oh, yeah, I guess it makes me smile
I found it hard, it's hard to find
Oh, well, whatever, never mind

Pre-Chorus

Hello, hello, hello, how low
Hello, hello, hello, how low
Hello, hello, hello, how low
Hello, hello, hello

A mulatto, an albino
A mosquito, my libido

Pretty Fly (For A White Guy)

Intro: Def Leppard

Gunter glieben glauten globen

Refrain: Chris Higgins, Nika Futterman & Heidi Villagran

Give it to me, baby
Uh huh, uh huh
Give it to me, baby
Uh huh, uh huh
Give it to me, baby
Uh huh, uh huh
And all the girlies say I'm pretty fly for a white guy
Uno, dos, tres, cuatro, cinco, cinco, seis

Verse 1: Dexter Holland

You know, it's kinda hard just to get along today
Our subject isn't cool, but he fakes it anyway
He may not have a clue and he may not have style
But everything he lacks, well, he makes up in denial

Chorus: Dexter Holland

So don't debate a player straight
You know he really doesn't get it anyway
Gotta play the field and keep it real
For you, no way, for you, no way
So if you don't rate, just overcompensate
At least that you'll know you can always go on Ricki Lake
The world needs wannabes, ah
Hey, hey, do that brand new thing

Refrain: Chris Higgins, Nika Futterman & Heidi Villagran

Give it to me, baby
Uh huh, uh huh
Give it to me, baby
Uh huh, uh huh
Give it to me, baby
Uh huh, uh huh
And all the girlies say I'm pretty fly for a white guy

Verse 2: Dexter Holland

He needs some cool tunes, not just any will suffice
But they didn't have Ice Cube, so he bought Vanilla Ice
Now cruisin' in his Pinto, he sees homies as he pass
But if he looks twice, they're gonna kick his lily ass

Chorus: Dexter Holland

So don't debate a player straight
You know he really doesn't get it anyway
Gotta play the field and keep it real
For you, no way, for you, no way
So if you don't rate, just overcompensate
At least that you'll know you can always go on Ricki Lake
The world loves wannabes, ah
Hey, hey, do that brand new thing

Verse 3: Dexter Holland

Now he's gettin' a tattoo, yeah, he's gettin' ink done
He asked for a thirteen, but they drew a thirty-one
Friends say he's tryin' too hard and he's not quite hip
But in his own mind, he's the, he's the dopest trip

Refrain: Chris Higgins, Nika Futterman & Heidi Villagran

Give it to me, baby
Uh huh, uh huh
Give it to me, baby
Uh huh, uh huh
Give it to me, baby
Uh huh, uh huh
Uno, dos, tres, cuatro, cinco, cinco, seis

Chorus: Dexter Holland

So don't debate a player straight
You know he really doesn't get it anyway
Gotta play the field and keep it real
For you, no way, for you, no way
So if you don't rate, just overcompensate
At least that you'll know you can always go on Ricki Lake
The world needs wannabes, ah
The world loves wannabes, ah
Let's get some more wannabes, ah
Hey, hey, do that brand new thing

Couldn't look you in the eye

I'm a weirdo
What the hell am I doin' here?
I don't belong here

I wanna have control
I want a perfect body
I want a perfect soul

But I'm a creep
I'm a weirdo

And I know there's nothing I can say
To change that part
To change that part
To change

Verse 1

So many bright lights to cast a shadow
But can I speak?
Well, is it hard understanding
I'm incomplete?
A life that's so demanding
I get so weak
A love that's so demanding
I can't speak

Chorus

I am not afraid to keep on living
I am not afraid to walk this world alone
Honey, if you stay, you'll be forgiven
Nothing you can say can stop me going home

Verse 2

Can you see? My eyes are shining bright
'Cause I'm out here on the other side
Of a jet black hotel mirror
And I'm so weak
Is it hard understanding

I get weak

Chorus

I am not afraid to keep on living
I am not afraid to walk this world alone
Honey, if you stay, you'll be forgiven

Perfekte Welle

Strophe 1

Mit jeder Welle kam ein Traum
Träume geh'n vorüber
Dein Brett ist verstaubt
Deine Zweifel schäumen über
Du hast dein Leben lang gewartet
Hast gehofft, dass es sie gibt
Hast den Glauben fast verloren
Hast dich nicht vom Fleck bewegt

Pre-Refrain

Jetzt kommt sie langsam auf dich zu
Das Wasser schlägt dir ins Gesicht
Siehst dein Leben wie ein Film
Du kannst nicht glauben, dass sie bricht

Refrain

Das ist die perfekte Welle
Das ist der perfekte Tag
Lass dich einfach von ihr tragen
Denk am besten gar nicht nach
Das ist die perfekte Welle
Das ist der perfekte Tag
Es gibt mehr, als du weißt
Es gibt mehr, als du sagst

Strophe 2

Deine Hände sind schon taub
Hast Salz in dein'n Augen
Zwischen Tränen und Staub
Fällt es schwer, noch dran zu glauben
Du hast dein Leben lang gewartet
Hast die Well'n nie gezählt
Hast das alles nicht gewollt
Hast viel zu schnell gelebt

Pre-Refrain

Jetzt kommt sie langsam auf dich zu
Das Wasser schlägt dir ins Gesicht
Siehst dein Leben wie ein Film
Du kannst nicht glauben, dass sie bricht

Es gibt mehr, als du sagst

„Ich bin hier, ich bin frei“
Alles, was ich will, ist Zeit
Ich bin hier, ich bin frei
Du stellst dich in den Sturm und schreist
